Abstract:

Discover the **future of packaging in the webinar preview** of the 24th IAPRI World Packaging Conference. Want to be at the **forefront of the latest trends and developments in packaging**? Looking for **innovative solutions** for your packaging needs? Then don't miss our free webinar.

The **24th IAPRI World Packaging Conference**, to be held in Valencia (Spain) from 17-21 June 2024, will bring together around **150 speakers from 30 countries** and **+400 attendees** from around the world to discuss the latest developments in the packaging sector (<https://iapri2024.itene.com>). This congress, organised by ITENE research centre, will be a unique platform to see first-hand the innovations and trends that are transforming the industry.

But that's not all! **Just for registering** for the webinar, you will **receive a 25% discount** (*) on admission to the IAPRI World Packaging Conference.

Goals:

- Learn about the most important **challenges and opportunities** in the packaging sector today.
- Discover the **latest trends** in packaging **materials, sustainability** in the supply chain, packaging **technologies** and packaging **design and development**.
- Discover the main **highlights** of the 6 topics that will be unveiled during the conference.
- Discover the **international experts, companies, universities and research centres** that will share their knowledge and experience.
- Get a **special discount to attend the IAPRI World Packaging Conference**, where you can expand your knowledge and network with international industry professionals and experts.
